

BHI-BSN 2019

University of Illinois at Chicago - Chicago, Illinois, USA
May 19-22, 2019

On behalf of the General Chairs, Jie Liang, Dimitris Fotiadis, and Carmen Poon, we would like to ask your kind consideration for support of the upcoming IEEE-EMBS Conference on Biomedical and Health Informatics (BHI) 2019 and the IEEE-EMBS Conference on Body Sensor Networks (BSN) 2019 with a sponsorship.

BHI-BSN 2019, two premier flagship venues in the area of mHealth, health analytics and wearable computers, will be co-located this year at the University of Illinois, at Chicago, IL, USA, 19-22 May 2019.

www.bhi-bsn-2019.org

The joint organization will provide a unique forum to showcase novel sensors, systems, signal processing, analytics and data management services.

Your support will be extremely valuable. The gracious support from BHI-BSN sponsors enables BHI-BSN to provide reduced registration fees, offer free coffee breaks and a free welcome reception, invite world leaders to give keynote presentations or participate in special-topic sessions, and provide student best-paper awards and travel grants. We need your help to achieve this.

The conference provides a terrific opportunity to get young researchers interested in your company and

discuss future career opportunities. Please let us know if you would like to discuss specific opportunities with us, including demos, career fairs and networking, social or other special events. In addition, BHI-BSN2019 awards several best student paper awards; sponsorship of awards will be recognized during the conference, and we will invite the sponsor to present the award.

IEEE BHI-BSN 2019 offers six partnership opportunities for you to consider
